The reason why we were evicted was because of failrue to pay the rent. So my grandmother went to court and we were ordered to move out. Mygrandmother got an appeal in court. But in September my grandmother went to back to court for leaving a few things in the apartment that we were evicted but the apartment people didnt show up in court my grandmother was the only one that showed up so the court case was dismissed. I spoke with an apartment locator or real estate agent to see what apartment will accept people with eviction and she looked at my grandmother eviction record and she saw that my grandmother had an eviction under \$3,000 and she even show the eviction record under \$3,000 . So the apartment locator or real estate agent sent me to apartments that allow people with an eviction under \$3,000. The apartment Locator or real estate agent sent my grandmother to some of your apartments properties called Westridge Gardens Apartments and Mainridge Apartments in Houston, TX.
